DFCM has determined that the firms listed above have met the minimum mandatory requirements and the minimum score to be placed on the Pre-Qualified Code Inspection Firm list to provide code inspection services for improvement and development projects.

The pre-qualified status of the firms listed above will expire on the listed expiration date. Pre-qualified firms expiring at this time will be required to submit a new Statement of Qualifications as required by the solicitation posted on the [Utah Public Procurement Place website](#) approximately 2 months prior to the expiration date.

The next opportunity for firms to pre-qualify will be in **May 2024**. Please watch for the Request for Statement of Qualifications posted on the [Utah Public Procurement Place website](#).

Questions regarding pre-qualification should be emailed to dfcm_vbs@utah.gov.

Firms interested in becoming pre-qualified firms with DFCM must create an account through the [Utah Public Procurement Place website](#) in order to receive notification of the Request for Statement of Qualifications. Vendors who do not have a U3P account and who have not registered it to receive notifications will not be notified by the State of Utah.
