**DFCM Responds to the Coronavirus**  
March 17, 2020

In accordance with Governor Herbert's recent recommendation to limit public gatherings to prevent the spread of the coronavirus, DFCM has made changes to the way that we operate. Effective immediately and until further notice, many DFCM employees are working remotely. Although our division has made some operational changes, we understand that some functions must remain unchanged. For example, our facilities maintenance group will continue to operate and maintain state-owned buildings, our construction selection interviews and bid meetings will continue to be held at the Taylorsville Office Building, and we remain committed to providing the same service that you've come to expect from DFCM. If you're uncertain about a previously scheduled meeting, please reach out to your project or facility manager with questions.

Please find the current DFCM contact list below. If you have questions, please reach out to us by phone or email. These uncertain times have provided us with an opportunity to adapt and do things differently, but we remain committed to serving you.
