State of Utah Decal Registration Fees	
Factory Built Housing:	\$75 each
Commercial Modular:	\$100 each

Third-party Inspection Agency	
Initial Registration:	\$2,000
Annual Registration Renewal:	\$1,000

Third-party Inspection Agency Decal Acquisition

Upon application approval, third-party inspection agencies will contact DFCM to acquire their State of Utah Modular Building Program decals.

The decal registration fees listed above will be paid for as they are issued and registered in the Electronic Document Submission & Decal Registration Portal.

Third-party inspection agencies will pay a \$250 per lot of 100 decals at the time they are issued their first lot(s). Agencies who are successfully managing the decals that have been issued additional lots, as needed, without additional deposits.

Successful agency decal management includes the ability account for decals which are not yet registered with DFCM. Agencies should not expect to have additional decals issued if more than half of what has been issued has not been registered in the Electronic Document Submission & Decal Registration Portal.
