The Division of Facilities Construction and Management (DFCM) has determined that the code inspection firms listed above meet the qualifications and licensing requirements to perform code inspection services for DFCM capital projects. Each firm listed received the minimum mandatory score at the time of their prequalification and are hereby eligible for a period of 18 months before recertification of their qualifications and licensing is required. The prequalified status expiration date for each firm is provided. All firms are eligible for recertification within 60 days prior to their expiration date.

The next opportunity for code inspection firms to submit for prequalification with DFCM will be in **May 2027**, at which time a Request for Statement of Qualifications for Prequalified Code Inspection Firms will be posted on the Utah Public Procurement Place website. Questions regarding prequalification should be emailed to dfcm_vbs@utah.gov.
