The Division of Facilities Construction and Management (DFCM) has determined that the janitorial contractors listed above are qualified to provide janitorial services for DFCM managed facilities. Each firm listed submitted a proposal in the Stage I Request for Statement of Qualifications process and received the minimum mandatory score required at the time of their prequalification. These contractors are hereby prequalified for a period of 18 months before recertification of their qualifications required. The prequalified status expiration date for each contractor is provided. All contractors are eligible for recertification within 60 days prior to their expiration date.

The next opportunity for janitorial contractors to submit for prequalification with DFCM will be in **May 2027**, at which time a Request for Statement of Qualifications for Prequalified Janitorial Contractors will be posted on the Utah Public Procurement Place website. Questions regarding prequalification should be emailed to dfcm_vbs@utah.gov.
