DFCM has determined that the firms listed above have met the minimum mandatory requirements and the minimum score to be placed on the Prequalified Code Inspection Firm list to provide code inspection services for improvement and development projects.

The prequalified status of the firms listed above will expire on the listed expiration date. Prequalified firms expiring at this time will be required to submit a new Statement of Qualifications as required by the solicitation posted on approximately 2 months prior to the expiration date.

The next opportunity for firms to prequalify will be in **May 2026**. Please watch for the Request for Statement of Qualifications posted on the [Utah Public Procurement Place website](#).

Questions regarding prequalification should be emailed to dfcm_vbs@utah.gov.

Firms interested in becoming pre-qualified firms with DFCM must create an account through the [Utah Public Procurement Place website](#) in order to receive notification of the Request for Statement of Qualifications. Vendors who do not have a U3P account and who have not registered it to receive notifications will not be notified by the State of Utah.
