The Utah Public Procurement has been re-branded as “U3P”. This is the same system you have known as SciQuest, Jaggaer, Utah Public Procurement Place, Utah Consortium, Utah SelectSite, and Utah Supplier Portal. The intent of the re-branding is to consolidate, into a single name, all references to how the U3P system is identified - U3P - Utah Public Procurement Place and does not change any vendor accounts, any sourcing events, or any system functionality.

U3P Contact Information:

- **Solicitation Specific Questions:** Refer to Renewal Schedule for deadline. All questions are to be submitted on the Utah Public Procurement Place (U3P) website.
