DFCM has determined that the vendors listed above have met the minimum mandatory requirements, evaluation criteria, and applicable score threshold under a Multi-Stage I Open-Ended Pre-Qualification for Janitorial Services as qualified vendors allowed to participate in DFCM Stage II bidding processes for Janitorial Services.

The pre-qualified status of the vendors listed above will expire on the listed expiration date. Pre-qualified vendors expiring at this time will be required to submit a new Statement of Qualifications as required by the solicitation posted for renewal prior to that time.

The next opportunity for vendors to pre-qualify under Stage I for DFCM Janitorial Services vendor will be in **November 2023**. The Request for Statement of Qualifications will be posted on the [Utah Public Procurement Place website](#) only.

Vendors interested in becoming pre-qualified vendors with DFCM must create an account through the [Utah Public Procurement Place website](#) in order to receive notification of the Stage I Request for Statement of Qualifications. Vendors who do not have a U3P account and who have not registered it to receive notifications will not be notified by the State of Utah.
